VICTORIA FALLS SAFARI LODGE, 4*

Victoria Falls Safari Lodge is without doubt one of the most popular places to stay in Victoria Falls, Zimbabwe. The Lodge is situated on a high plateau overlooking the vastness of the Zambezi National Park, giving you the superb feeling of being out in the remote African wilderness, yet a short 15 minute drive takes you into the town centre and the Victoria Falls entrance. A waterhole, well frequented by wildlife is situated directly below the lodge which can be viewed from most of the bedrooms, the bars, the pool deck, restaurants and lounges. A constant stream of animals coming down to drink provides 24hr entertainment (the waterhole is floodlit at night).

CHOBE SAFARI LODGE, 4*

Chobe Safari Lodge, located on the banks of the Chobe River in northern Botswana, is the best destination for serious game viewers. Situated in the town of Kasane, the lodge is close to where the borders of Botswana, Zimbabwe, Namibia and Zambia meet. The Chobe Safari Lodge is the ideal choice of accommodation if you were planning to visit the Chobe area, the majestic Victoria Falls or the Zambezi region (formerly named the Caprivi Strip). The lodge borders on the Chobe National Park, which is part of the Chobe-Linyati-Kwando- river system. The series of islands, floodplains and lakes ensure an abundance of wildlife.
